AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This amendment is submitted in response to a non-final office action dated January 12, 2006 ("Third Office Action"), submitted following a Request for Continued Examination (RCE) in the above case. The Examiner rejected all the claims as obvious (35 U.S.C. §103) over cited art. Applicants amended the independent claims to include the requirements of dependent claims 73-78, and canceled claims 73-78. Applicants further canceled the withdrawn claims. Applicants submit that all pending claims 1-5, 7-12, 21, 24-29, 31-36, 45, 48-53, 55-60, and 69, 72 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.
Remarks/Arguments begin on page 13.
